¹ All QP test methods are in-house methods.

Accredited Laboratory

A2LA has accredited

NOF METAL COATINGS NORTH AMERICA, INC

Chardon, OH

for technical competence in the field of

Chemical Testing

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2017 General requirements for the competence of testing and calibration laboratories. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated April 2017).

Presented this 22nd day of January 2026.

A blue ink signature of Mr. Trace McInturff, written over a horizontal line.
